Exhibit SW12-5 Storm Water Permit Certification Form

Version: June 2024

Contract or SWP3 Number: _____ Project: _____
Owner: _____

Each Contractor and Subcontractor identified in the Storm Water Pollution Prevention Plan (SWP3) must certify that they understand the permit conditions and their responsibilities. Every Contractor and Subcontractor performing an activity that involves soil disturbance shall sign this certification and submit it to the Engineer prior to performing the Work. This certification shall be signed by an owner, principal, president, secretary, or treasurer of the firm.

I certify under penalty of law that I understand and agree to comply with the terms and conditions of the SWP3 for the construction Site identified in such SWP3 as a condition of authorization to discharge storm water. I also understand that my firm and its employees and Subcontractors shall comply with the terms and conditions of Owner’s general permit for storm water discharges from construction activities and that it is unlawful for any person to cause or contribute to a violation of water quality standards, Laws, or Regulations.
